

ESRI CLIENT SITE TRAINING TERMS AND CONDITIONS

Whereas, the CLIENT wishes to arrange for training of its employees, the following terms shall be followed as applicable.

I—SCOPE

ESRI agrees to conduct training courses pursuant to the terms contained herein.

Course Description: The ESRI® Software training course(s) to be conducted, the location, the dates during which the courses are to be conducted, the number of participants, and the prices to be paid to ESRI are as set forth in the ESRI Course Catalog or at ESRI's training Web site, which is incorporated by this reference. All courses shall be conducted in substantial conformity with the most current ESRI training course brochure(s). ESRI reserves the right to modify course content when necessary due to Software technical abilities or limitations.

ESRI's Responsibility: ESRI shall provide an instructor qualified to conduct the course(s), as well as all necessary training materials sufficient for the number of registered participants.

ESRI's scheduling coordinator, through whom all course(s), dates, and locations shall be confirmed, can be contacted at 909-793-2853, extension 1523.

CLIENT's Responsibility: Where courses are to be conducted at CLIENT's facilities, CLIENT shall provide physical training facilities that meet the following minimum requirements:

- CLIENT shall, where possible, provide a one (1)-room facility, sufficient for a training course for up to twelve (12) persons (or such other number as may be agreed to by ESRI's scheduling coordinator). The facility shall have appropriate climate control, lighting, and sufficient power and number of outlets to accommodate the required number of computers and other equipment to be used.
- CLIENT shall supply all computer hardware for the training course. Computers must be platforms fully supported by ESRI. All computer hardware shall be configured with an appropriate release of an operating system to run the current release version of the required Software. There shall be a minimum of one (1) color monitor for every participant. Other peripheral devices including, but not limited to, digitizers and plotters/printers, as required by the training course being conducted, shall be Class 1 supported.
- CLIENT shall be responsible for providing one (1) high-resolution PC projector and screen as well as one (1) large writing board.
- CLIENT shall limit the number of course participants to twelve (12) students per course. Additional students, up to a maximum of fifteen (15), may be added to some classes for an additional fee.
- CLIENT agrees that all participants shall be regular employees of CLIENT who meet the prerequisites set forth in the ESRI training brochure(s).
- CLIENT shall issue a purchase order and pay invoices pursuant to the terms set forth in Section III below.
- CLIENT shall complete and submit an ESRI Client Site Request form not less than four (4) weeks prior to the start of any course. Final schedule is subject to mutual agreement.

II—SOFTWARE LICENSES

The terms of the ESRI license agreement shall be applicable to all CLIENT course participants and for all Software and documentation licensed for use in any training course to be conducted. For on-site training, temporary Software licenses may be issued by ESRI where there is an insufficient number of Software licenses available at the training facility. CLIENT shall deinstall the temporary Software licenses at the conclusion of the training course.

III—PERFORMANCE AND PAYMENT

Upon completion of each training course, ESRI shall invoice CLIENT and CLIENT shall pay said invoice within thirty (30) days of receipt thereof.

IV—EXPORT CONTROL REGULATIONS

ESRI's technology is subject to U.S. export control laws and regulations—ESRI's Software, data, documentation, and any underlying information or technology may not be exported, reexported, or provided in whole or in part to (i) any country to which the United States has embargoed goods; (ii) any person on the U.S. Treasury Department's list of Specially Designated Nationals; (iii) any person or entity on the U.S. Commerce Department's Table of Denial Orders; or (iv) any person or entity where such export, reexport, or provision violates any U.S. export control law or regulation.

ESRI is a trademark, registered trademark, or service mark of ESRI in the United States, the European Community, or certain other jurisdictions.
